1 November 2017

Dear Jubilate Parents, staff and learners

Please join me in extending best wishes to our Principal, Mrs. Lily May Smith, who will be retiring from Jubilate Primary School on 31<sup>st</sup> December 2017.

Mrs. Smith has been an esteemed member of the school for 12 years, and she will be greatly missed by students and colleagues alike. We have all benefited from her input: initially as a Foundation Phase Teacher, and then as a Foundation Phase HOD, eventually as Principal for the last 7 years. During her tenure as Principal, Mrs. Smith was instrumental in achieving our full accreditations for UMALUSI and IQAA, as well as being the driving force behind our very successful "Hurt Free Programme". Her passion at our school was setting up all the reading programmes and she spent much of her day ensuring the health and safety of our learners at school received top priority.

Parents of Jubilate learners, learners and staff also recognize her for her courtesy and amicability. Mrs. Smith is a well-loved teacher and Principal, and we will miss her caring, compassionate and patient ways.

We know you all join us in wishing Mrs. Smith well as she starts a new chapter in her life. She is writing a book, will be travelling and has already been asked to write policies for the department, as well as filling in as a substitute teacher at various Independent Schools. We wish her well in this new phase of her life, with her husband Peter.

We would further like to confirm that we are welcoming Mrs. Nadine Mack as Principal effective from January 2018.

Mrs. Mack has 31 years experience in teaching in both primary and high school, where she held various positions of management. After completing her HDE in Education she taught at a government school, for 4 years, as a primary school teacher. Thereafter she taught at an Independent High School where she remained for 6 years. When Nadine's children reached primary school age she went back to teaching at an Independent Primary school.

During this time she wrote English handbooks and assisted with Afrikaans handbooks for primary school learners. She also obtained a qualification as an "Educational Trainer and Assessor" and is registered with SETA. After teaching for 11 years she took up the position of Head Directress at an Independent Primary School, where she has given her expertise and experience for the last 10 years.

We look forward to welcoming Ms Mack into our school, and wish her everything of the best, as we support her and enter a new phase at Jubilate School in 2018.

  
**Mr Jonathan Isherwood: Chairman: Board of Trustees: Jubilate Primary School**
