

Message from the Principal

Welcome back to an exciting second term. We trust that you all had a good holiday and are ready to embrace the busy term ahead. Co-curricular wise we have a few events that involve the whole family – mom's and dad's get ready to work with your child on some form of craft, our special person's day to display our children's enthusiasm and creativity, inter-house sport's day and our big excitement event the concert. We trust that you have perused the D6 to get the events calendar and have taken note of all the dates that require your child to attend functions. Your assistance in this area will be greatly appreciated.

WELCOME

We would like to take this opportunity to welcome Mrs de Kock and Miss Lund into our Jubilate Family. Mrs de Kock has 40 years of experience and has taught at a number of well-known independent schools. Her enthusiasm and dedication to teaching is highly commended and we are fortunate to have her as part of our staff to teach Grade 5, 6, 7 Afrikaans. Miss Lund has taught for 4 years in independent schools and comes with valuable insight and experience. She will be an asset to our Grade 4 class. We sadly say farewell to Miss van den Berg who had to leave us at short notice for a family crisis.

EYE SCREENING

Eye screening took place on Monday and Tuesday. A letter was sent home with every child that participated. If need be, please follow up with the Vorna Valley Optometrists.
