

## Photographs

The children's individual photographs are going home today. Please look for the envelope, as it tells you how to view and order the **class and co-curricular photographs** – which are on-line. There are also deadlines that need to be adhered to. The photographer has done a wonderful job and our children look gorgeous. Please share in their delight and show them their photographs.

## AGM

Many thanks to all the parents, teachers and Board members that attended the School's AGM last night. Some very valid points were brought up and we appreciate the invaluable input from our parents. We have had a good year, with successful events taking place in and around the school. There are lots of exciting changes taking place and we need the support of our parent body. Minutes of the meeting will be placed on the D6.

Mr Isherwood, our Chairman, made a strong request for parents to become involved in the PTA and join the Board of Trustees. It is only with your support and valuable contributions that Jubilate can make progress and move forward. Please seriously consider the part that you can play in making our school a sought after institution for a high standard of education, where communication between teacher, child and parent is paramount.

## Soap Box Derby

All I can say is WOW! Everyone had a huge amount of fun. Thank you for your attendance and showing your children 'the child in you'. All spirits were high, making it an enjoyable morning. Congratulations!!!

## 2019 Enrolments

A reminder that we are taking enrolments from Grade RR – Grade 7. Please let people know, as your 'word of mouth' goes a long way!
