

It is hard to believe that the academic year of 2018 has drawn to an end. I would like to take this opportunity to thank the parents for all their support in making Jubilate Primary the wonderful school that it is. Without your support in the various functions and activities, held at school, the positive atmosphere would not have been created. We have grown as a Family, taking care of one another and seeing to the well-being of all.

To all the class moms/dads – you have looked after the children and parents in keeping everyone up-dated and your reminders have been appreciated. Thank you for the time that you have taken out of your busy schedules to do this.

Our children have made us proud in many of the different aspects of school life – academic, cultural and spiritual. Their laughter and playful characters have enthralled us all. Well done on the high standards set and facing the challenges that you never anticipated.

A special thanks to the auxiliary staff. Our classrooms and playgrounds are kept in pristine condition thanks to them. There is never a complaint when they are called upon and they support the school at all functions.

Aftercare is a safe place for our children. These ladies are the ‘moms’ in the afternoon seeing to homework and listening to reading etc. Their support and care of our children is commendable.

All queries are dealt with during the morning via the admin. Thank you for passing on messages and taking lunches, stationery, books etc. to learners who have left their things at home.

The finance department runs smoothly and efficiently. Queries are dealt with appropriately and timeously. No matter what time of the day it is you will always find Mrs Stapelberg available to meet your needs.

A thank you must also go to the Board for all their support and the positive role that they play in making the School a sought after educational facility. The selfless giving of your time and guidance is appreciated.

We cannot thank our teachers enough. They are mom, dad, doctor, nurse, motivator as well as educator. Their dedication to the School and your children's well-being cannot be praised enough. Thank you for creating a safe environment filled with love and caring.

Christmas Box

Many thanks to all the parents who sent goodies for the Old Age Home. The choir took the presents and presented them to the Aged. They were received with much delight. The choir also sang a few songs and those that could, joined in. A big thank you to Mrs Fowler, who co-ordinated the whole function. A lovely morning was had by all.

Cultural Levy

The cultural levy was posted on the D6 this week. You will no longer have to send money to school for the children to go on outings. The cultural levy will cover the entrance fee as well as the transport.

Prefects

Thank you once again to the 2018 Prefects and we would like to wish the 2019 Prefects all the best. (Marlise Kakwata, David Omiwole, Landa Tsobo, Antara Kuvelkar, Munashe Mhaka, Aaron Biagio, Andiswa Nhleko)
