**Valentine's Day** is always a highlight for the children. The theme for 2019 is red, white and pink. Keep up to date with the letters that come home in connection with this special event.

All consent forms should have been returned by now. The phone numbers of the parents wishing to be part of the **class WhatsApp group** will be given to the class moms/dads on Monday.

We live in a world where social media is very much part of interacting with the community. A form went home for you to fill in, **up-dating your particulars** for the School. All this information is governed by the POPI Act and we don't pass on any of your particulars without your consent.

There was also a request for you to give us consent to post **photographs** of your child on our website, Facebook and Instagram. Most of the photo's are group photo's of the children participating in events such as sport, cultural and activities within the class. We don't add names, ages or any personal particulars of your child. If you have chosen to exclude your child from any of these photo's, please chat to your child as it is heart-breaking for them not to see their picture amongst their friends.

Grade 7 Parents are reminded to keep up to date with the Open Days, entrance tests and bursaries to be written for **High Schools**. Please don't wait for the last minute as we would like all our children to gain access into the High School of their choice. I am available for any assistance that you may require!

**Transporting** your most precious gift needs to be addressed. Some information to consider:

- Name and ID of driver
- Does the driver have a valid PDP licence? (valid for 24 Months only)
- Is the vehicle roadworthy?
- Have the make, model and number plate of the vehicle
- Is the vehicle insured and with whom?
- Is the insurance for transporting passengers?
- Route that is taken
- Time it takes for your child to leave school until they reach home

Grade 4 – 7 have received their **diaries**. Please check and sign them daily. Page 3 has a form for you to sign. Your child's merits and demerits will also be recorded in their diary.
