

# Jubilate's Chatterbox

Term 3  
13 October 2020

The academic term is flying by and it's hard to believe that we are approaching half term. A reminder that we finish at **12:00 on Thursday 15 October** and the learners return on Tuesday 20 October @ 07:30.

So far the term has run smoothly with over 90% of our learners on site, with a few learners at home. We have implemented a **blended learning approach**, meaning that learners will still be utilising Google Classroom as well as on site learning.

To-date we still are not allowed to start co-curricular activities, however we would like to encourage all our learners to take time every day to do some physical activities. It is important for the learners to keep physically fit.

**Physical fitness is a state of health and well-being and, more specifically, the ability to perform aspects of sports, occupations and daily activities. Physical fitness is generally achieved through proper nutrition, moderate-vigorous physical exercise, and sufficient rest.**

c

Unfortunately, we have had to say farewell to Mrs Green due to health reasons. We wish her a speedy recovery.

We would like to **welcome** Miss Rabe, who will be taking the Afrikaans and Art in the Senior Primary. Miss Rabe has gained her experience from teaching abroad. We look forward to working together for the benefit of all our learners.

Everyone should be wearing their **Summer uniform**. Please don't mix and match the different seasons clothing. We would like our learners to take pride in their uniform and acknowledge that they represent Jubilate School.

2021 is just around the corner. A reminder to our parents that **sibling registration** is open for 2021. Please contact Mrs Stapelberg for application forms. We have a number of siblings joining us and we look forward to them becoming part of the Jubilate family.

If anyone has any pallets or can get **pallets** at their work place, that they are willing to donate to the school, please contact me on 061 454 8809, to make arrangements.

Watch this space ...

Every grade will be hosting an on-line auction. The learners are working hard at their projects in order to make this a fun, memorable event. We will keep you up-dated closer to the event.

**Exams** for the Senior Prep start on the 6 November. Every grade will be writing 2 exams a day, followed by a study session. The school times will remain the same. Please make sure that your child has all the stationery that is needed. We don't want added stress due to not having all the necessary equipment.
